

PLEASE OBEY RANGE RULES*

They are for your safety

EYE AND HEARING PROTECTION ARE REQUIRED FOR ALL PARTICIPANTS AND SPECTATORS.

In order to enter range, all guns must be cased and unloaded.

ALWAYS . . .

1. Uncase and case guns on front benches only
2. Keep muzzles pointed in a safe direction
(DOWNRANGE ONLY)
3. Keep firearms unloaded until ready to use
4. Keep finger off trigger until on target and ready to shoot
5. Stay behind red line and do not touch anything on front benches during a cease fire or cold range

When RSO calls cease fire:

- Unload firearms
- Remove magazines
- Open action and lock bolts back or open cylinder, gates, bolts etc. so firearm can be visually verified as unloaded by RSO

Step back behind the red line, **DO NOT GO FORWARD**

Wait for RSO to announce that it is safe to go forward to set targets

Do not touch firearms or anything on the bench during range breaks

When you return from setting targets, remain behind the red line until RSO says you may resume firing

During firing:

Muzzle **ALWAYS** down range

NO RAPID FIRE (maximum - one shot per second)

Do not shoot at rocks or anything other than approved targets

Children must be under direct supervision of a responsible adult unless RSO approves otherwise

Be aware of ejected brass, use brass catchers if possible, and be courteous to other shooters

REMEMBER ANYONE CAN CALL A “CEASEFIRE” IF YOU SEE A DANGEROUS SITUATION

(*Violation of these rules may result in your loss of range use without refund)
